

HEC SCHOOL OF MANAGEMENT - INTERNSHIP AND BUSINESS PROJECT SCHEDULING

Internship periods are variable and determined by the students in function of their curriculum demands.

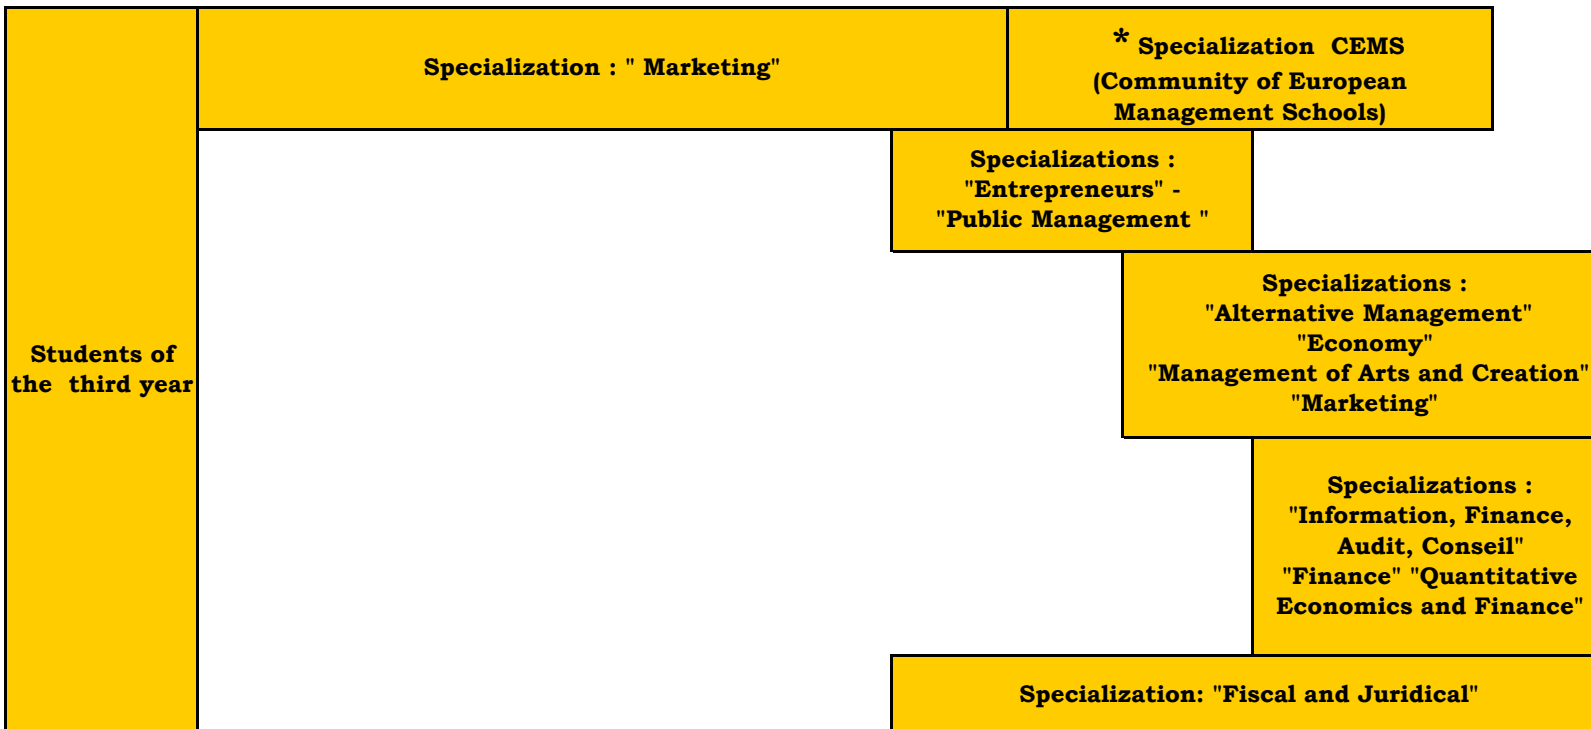

Each period can last from **a minimum of 6 weeks to a maximum of 12 months**.

Companies interested in hiring HEC trainees can find **available candidates at any time of the year**. However, there tend to be two recruitment peaks : the first in June and the second in January, as students increasingly prefer to work 2 internships of 6 months each.
