

HEC Germany Office

The Germany Office opened in April 2016, inaugurated by the French Embassy 26th September 2016 and aims at raising brand awareness with corporate partners as well as prospective students.

The HEC Germany branch fosters engagement with German based employers and encourages interactions with HEC Paris's academic partners – Freie Universität Berlin, Technische Universität München, and also through the CEMS Alliance with the Universities of Mannheim and Cologne.

The Germany Office supports and hosts numerous Learning Expedition (Major In Digital, StartHEC..), Executives Education programs (Major in Services, Major in Energy, custom programs such as Porsche, Otis, Bertelsmann..) including large study trips where students have the opportunity to gain first-hand insights into the German job market.

Finally, the HEC Germany branch supports the 1000-strong HEC Alumni network spread all over Germany with a consistent calendar of one event per month in a major German cities such as Berlin, Frankfurt, Munich, Cologne, Düsseldorf, Hamburg and Stuttgart
