Founded in 1881, HEC Paris specializes in education and research in management sciences. As a leading academic institution in Europe and worldwide, HEC Paris offers a complete and unique range of education programs for students and leaders. HEC Paris has a permanent faculty of 109 professors, 4000 students, ~40% of whom are international, and over 8000 managers in executive education programs every year.

A COMPLETE AND UNIQUE PROGRAM PORTFOLIO

Masters Degrees

**MSc in Management, “Grande Ecole” degree** is an 18-month program, designed for students who hold a Bachelor’s degree in any field. The 1st year is comprised of general business courses; the 2nd year is devoted to the student’s area of specialization and research project.

**Masters of Science (MSc)** are one-year pre-experience full-time programs in English designed for students who hold a Bachelor’s degree in Business and who want to acquire an expertise in a specific field of management: International Business, Finance, Financial Economics, Sustainable Development and Marketing.

**Specialized Masters** are 12-month courses in French or English. They are designed for students at postgraduate level who want to acquire high-level expertise and professional know-how in their chosen specialization.

**MBA Program:**

- **Full-Time Option** (16 months) and **Part-Time Option** (24 months)

The **MBA** addresses both functional and cross-functional skills through a fundamental and a customized thread to cover all areas of management in depth. Participants will, throughout the program, enhance their leadership potential through unique learning experiences in a diverse environment, developing their self-awareness and people & relationship management, to boost and change their career path.

**Ph.D. Program**

The **Ph.D. program** shapes professor-researchers, offering high quality internationally renowned training. It is a highly selective program with 15 to 20 candidates admitted each year. 80% of the graduates work on the international academic scene.

**Executive Education Programs**

**HEC Executive Education** spans a wide range of degree and non-degree programs specifically designed for experienced managers and executives. In addition to EMBAs and Executive Masters Programs, HEC Executive Education offers Open-Enrolment Programs, Custom Programs and Coaching.

**TRIUM Global Executive MBA** is a joint degree developed by HEC Paris, New York University Stern School of Business (NYU Stern) and the London School of Economics (LSE), specially designed for global executives and CEOs.

**HEC Paris Executive MBA** is a multi-site degree program designed to meet the needs of executives and senior managers. The program is offered in 5 locations (Paris, Beijing, Shanghai, St. Petersburg and Doha) and proposes 6 Majors (Aerospace and Aviation, Energy, Entrepreneurship and Innovation, Global Business Perspectives, Luxury and Differentiation through Service).
Part-time Executive Masters are post-graduate degree programs providing specialized training in specific areas of management such as the MSc HEC Paris Oxford Consulting and Coaching for Change.

Open-enrolment Programs are specific short and intense courses to strengthen managerial skills from 3 to 20 days, held in Paris and Doha.

Custom programs are tailored and delivered to the precise specifications of the customer company.

KEY ADVANTAGES

Cutting-edge Faculty and Research:

HEC Paris has a permanent faculty of 115 professors, holding PhDs from the world's most prestigious universities, rendering the faculty 57% international.

In addition to the full-time faculty:
- 26 Emeritus faculty
- 87 Affiliate professors, generally prominent members of the business community who have established a long-term relationship with HEC Paris
- 47 Visiting professors from prestigious universities worldwide

HEC Paris is committed to developing knowledge and the best practices in management. The active involvement of professors in research guarantees that our courses integrate the latest findings in management science.

The contribution of the full-time faculty for the last two years is
- 24 books published in French and 15 other languages, among which: “Strategor”, “International Investment”, “Industrial Management and Logistics”
- 175 articles in refereed academic journals
- 408 presentations at refereed academic conferences

Among other initiatives, HEC Paris has set up a research laboratory with the CNRS (National Center for Scientific Research) and belongs to a research network on Decision Science with Ecole Polytechnique, ENSAE ParisTech (Paris Graduate School of Economics, Statistics and Finance) and the CNRS.
