Fact sheet 2015 - 2016

Exchange Program & CEMS guests Program

> HEC Paris: One of the leading business schools in Europe

HEC Paris is a leading business school in Europe, world renowned for the quality of its degrees, faculty and research. For more than a century, our history of academic excellence and selectivity has enabled us to train inspired and responsible leaders, capable of anticipating changes in the world and leading them. HEC Paris is the first Business School in France to have received – as early as 2000 – the prestigious Triple Crown Academic accreditation: AMBA, EQUIS, AACSB.

> Benefit from a perfect combination of state of the art research with innovative training

HEC’s faculty is dedicated to academic research and has well-established expertise in all areas of business. This ensures that the courses provided are based on all the latest developments within market disciplines.

> Choose to live on a great campus

HEC campus offers an incomparable environment for students to learn, socialize and practice sports. Located close to Paris and Versailles, the 300-acre wooded campus is one of the largest in Europe.

> Make the most of a large international academic network

HEC has prestigious academic partners worldwide and offers its students numerous exchange opportunities as well as Double Degrees with top Business Schools. Additionally, HEC is co-founder of two major international networks: PIM (involving more than 50 world-class business schools) and CEMS (a strategic alliance of 27 leading business schools and over 70 multinational corporate partners).

> Enjoy the power of the Alumni network

Founded in 1883, the HEC Alumni Association is one of the largest in Europe with more than 50,000 members of 107 nationalities. It provides a platform for the exchange of experiences, ideas and information, facilitates entry into the professional world and accompanies career advancement. Services and events include career guidance, personal coaching, career fairs and seminars, monthly meetings with business leaders and an annual international management forum drawing together major senior business executives, experts and international business personalities.

In order to ensure HEC Paris’ international reputation and to maintain an active network, professional groups are organized in 78 countries of which the largest chapters are in Paris, New York, London, Shanghai and Hong-Kong.

> ... And that of the HEC Foundation

Thanks to their 7,500 individual donors, their 46 partnerships with leading companies and their 19 professional chairs and centers, the HEC Foundation, a non-profit organization, contributes to the development policy of HEC Paris in the fields of research, financial assistance to students and campus institutions.

For instance, the HEC Foundation sponsors the visiting professors program and funds all HEC Paris merit based scholarships, especially designed for high potential international students.
